

# **WILSON COUNTY EMERGENCY OPERATIONS PLAN AUTHORIZATION AND AUTHORITIES**

## **I. PURPOSE**

This section provides legal references and authorizations to support actions in the event of an emergency/disaster situation.

## **II. SITUATION AND ASSUMPTIONS**

### **A. Situation**

1. Actions taken during emergency/disaster events require that legal guidelines are followed to assure protection of the general public and to maintain law and order in the county/municipality.
2. Decisions implemented during times of disaster or impending disaster will sometimes have a negative economic impact on the county/municipality or portions thereof.
3. Verbal and written mutual aid agreements exist between some agencies within Wilson County and its municipalities.

### **B. Assumptions**

1. Some actions taken during emergency events will be unpopular with the general public.
2. Actions implemented will be based on the safety and welfare of the overall population, but may be unpopular with specific groups.
