In accordance with the requirements of title II of the Americans with Disabilities Act of 1990 ("ADA"), Wilson County will not discriminate against qualified individuals with disabilities on the basis of disability in its services, programs, or activities.

**Employment:** Wilson County does not discriminate on the basis of disability in its hiring or employment practices and complies with all regulations promulgated by the US Equal Employment Opportunity Commission under title I of the ADA.

**Effective Communication:** Wilson County will generally, upon request, provide appropriate aids and services leading to effective communication for qualified persons with disabilities so they can participate equally in Wilson County programs, services, and activities.

**Modification to Policies and Procedures:** Wilson County will make all reasonable modifications to policies and programs to ensure that people with disabilities have an equal opportunity to enjoy all of its programs, services, and activities.

Anyone who requires an auxiliary aid or service for effective communication, or a modification of policies or procedures to participate in a program, service, or activity of Wilson County, should contact the ADA Coordinator as soon as possible, but not later than 48 hours before the scheduled event.

The ADA does not require Wilson County to take any action that would fundamentally alter the nature of its programs or services, or impose an undue financial or administrative burden.

Complaints that a program, service, or activity of Wilson County is not accessible to persons with disabilities should be directed to the ADA Coordinator.

Wilson County will not place a surcharge on a particular individual with a disability or any group of individuals with disabilities to cover the cost of providing auxiliary aids/services or reasonable modifications of policy, such as retrieving items from locations that are open to the public, but are not accessible to persons who use wheelchairs.
